collection	<b>CLICK</b>
code	<b>EVCKSPI20B - EVCKSPI20N</b>
description	Magnifying mirror
certifications	TUV system certification UNI EN ISO 9001.
features	Magnifying mirror 2X, magnetic, for metal wall band.
size	Ø 200 x 17 mm.
installation	Clean extremely carefully the surface on which you are going to stick the metal band, rinse with water to remove any detergent residues, dry and use the degreaser wipes included in the package over the gluing area. Level the metal band. Remove the film from the adhesive tape, stick the metal band and press strongly over the whole surface to better adhere the adhesive on the wall. Wait 48 hours before the installation of the accessories. Make sure to place the mirror centered on the metal band. Pay attention having the base of the mirror completely in contact with the metal band. Avoid to stick on surfaces that are not totally flat, or on porous surfaces. We do not recommend to install it on painted surfaces. Do not install it inside the shower cabin.
finishes	Frame in PVC in white and black color.
maintenance	Make a proper cleaning with water and soap, do not use aggressive products, or abrasive, corrosive, acids, acetone, diluent etc. Do not scratch the surface. Check periodically the correct fixation of the installation and its solidity. Do not use the product for any other purpose.
materials	Glass, frame in PVC.
